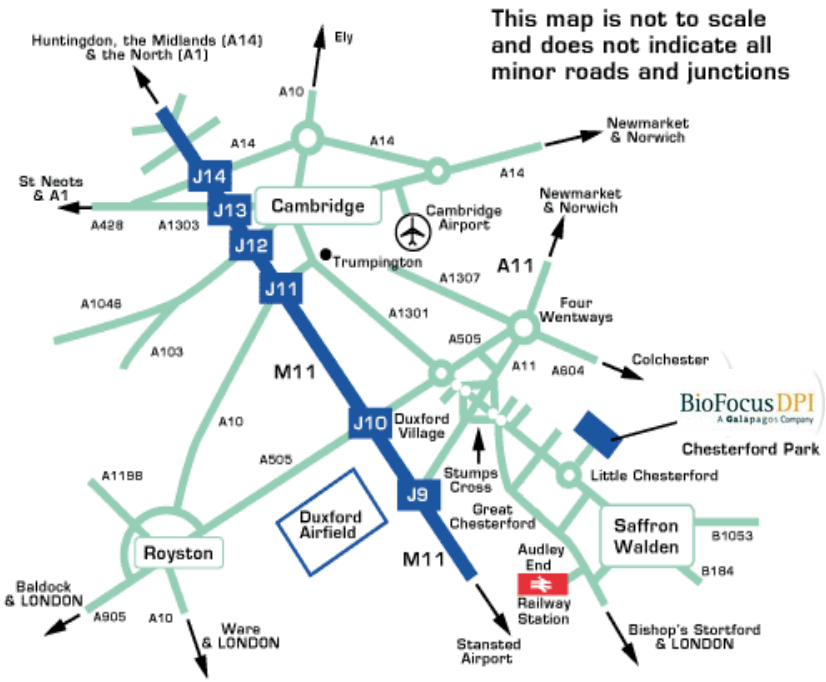
Directions to BioFocus DPI (Chesterford Research Park, Saffron Walden, UK)

From M11 Motorway

Northbound traffic should exit at Junction 9, which goes straight onto the A11 towards Newmarket. After approximately ½ mile, take the next exit towards Saffron Walden. Turn right at the roundabout and go straight over the next two, the second of which is signposted Little Chesterford/Saffron Walden (B184). Carry on until you pass the Little Chesterford village sign; shortly after this sign there is a roundabout, take the left hand exit towards "Chesterford Research Park". Report to security at the end of this road, who will direct you to our building.

Southbound traffic should exit at Junction 10; turn left towards Newmarket/Saffron Walden (A505). At the next roundabout, turn right towards Saffron Walden (A1301). Follow this road until you come to a series of roundabouts, go straight over all four. The fourth roundabout is signposted for Little Chesterford/Saffron Walden (B184). Carry on along this road until you pass the Little Chesterford village sign; shortly after this sign there is a roundabout, take the left hand exit towards "Chesterford Research Park". Report to security at the end of this road, who will direct you to our building.

By public transportation


Take the West-Anglia Great Northern line from London Liverpool Street to Audley End where you will be able to take a taxi to Chesterford Research Park. The journey from Audley End Station to Chesterford Research Park will take approximately 15 minutes.
