

discovery

a marcusevans event

22 - 24 March 2010 | Majestic Barrière Hotel | Cannes | France | [www.discovery-summit.com](http://www.discovery-summit.com)

### monday 22 march

10:00-12:00	Event Registration	Diane Barrière Hospitality Desk
12:00-13:00	Welcome Lunch	Salon Croisette
13:00-13:15	<b>marcus evans</b> Welcome Address <b>Brittany Ryan</b> , Summit Producer, <b>marcus evans</b>	Salon Royan
	Chairman's Opening Address <b>Dr Chas Bountra</b> , Chief Scientific Officer, <b>University of Oxford – Structural Genomics Consortium</b>	Salon Royan
13:15-14:00	Opening Keynote Presentation <b>Maximising Chemical Value to Advance from Low Productivity to Efficient Drug Discovery</b> <b>Professor Andrew Hopkins</b> , Scottish Universities Life Sciences Alliance (SULSA) Professor of Translational Biology & Chair of Chemical Informatics, <b>University of Dundee</b>	Salon Royan
14:00-14:45	Keynote Presentation <b>Medicinal Chemistry: The Pioneering Discipline in Drug Discovery Outsourcing</b> <b>Dr Mario Rottländer</b> , Head of Department Medicinal Chemistry & Support, <b>H Lundbeck</b>	Salon Royan
14:45-15:00	Networking Coffee Break	Salon Dinard
15:00-17:00	<b>One-to-One Meetings</b>	Salon Diane Barrière
17:00-17:45	Case Study Presentation <b>Initiating Drug Discovery Breakthrough with Fragment- Based Screening</b> <b>Dr Iwan de Esch</b> , Associate Professor, Drug Design & Synthesis, <b>VU University in Amsterdam</b>	Salon Royan
	choice of two Case Study Presentation <b>Revealing Real Time Cell Surface Interaction Analysis: A Focus on Lectin-cell Glycan Interactions</b> <b>Dr Miriam Dwek</b> , Senior Lecturer in Biochemistry, Department of Molecular & Applied Biosciences, <b>University of Westminster</b>	Salon Deauville
17:45-18:30	Keynote Presentation <b>Improving Lives through Translational Brain Research: Removing Obstacles in Neuroscience Drug Discovery</b> <b>Dr Pim Drinkenburg</b> , Head Neuroscience Systems Biology, <b>Johnson &amp; Johnson Pharmaceutical R&amp;D</b>	Salon Royan
18:30-19:15	Keynote Presentation <b>Target Validation – The Key Factor for Future Success in Pharma R&amp;D</b> <b>Dr Lorenz M Mayr</b> , Executive Director, Unit Head Biology, Protease Platform, <b>Novartis Pharma</b>	Salon Royan
19:15-19:45	Free Time	
19:45-20:15	Welcome Reception	Salon Dinard
20:15	Welcome Dinner	Salon Croisette

# discovery

a **marcusevans** event

22 - 24 March 2010 | Majestic Barrière Hotel | Cannes | France | [www.discovery-summit.com](http://www.discovery-summit.com)

tuesday 23 march		
07:30-08:45	Breakfast	Salon Croisette
09:00-09:45	Keynote Presentation <b>Boosting GPCR Drug Discovery Using Stabilised Receptors</b> <b>Dr Malcolm Weir</b> , Founder & CEO, <b>Heptares Therapeutics</b>	Salon Royan
09:45-10:30 choice of two	Joint Case Study Presentation <b>Bypassing Traditional Methods to Enhance Drug Discovery and Clinical Success by Using Primary Human Cells and Cellular Dielectric Spectroscopy</b> <b>Dr David F Woodward</b> , Senior Director, <b>Allergan</b> <b>Dr Jenny W Wang</b> , Senior Scientist, <b>Allergan</b>	Salon Royan
	Case Study Presentation <b>Using the Target Protein Binding Site to Drive Drug Discovery and Design: Fragment-Based Approaches for Both Enzyme and GPCR Targets</b> <b>Dr Jonathan S Mason</b> , Head of Computational Chemistry, <b>Heptares Therapeutics</b> and Chief Scientist Predictive Technologies & Drug Design, Medicinal Chemistry, <b>Lundbeck Research</b>	Salon Deauville
10:30-10:45	Networking Coffee Break	Salon Dinard
10:45-12:45	<b>One-to-One Meetings</b>	Salon Diane Barrière
12:45-13:30	Keynote Presentation <b>Plan B: Successfully Escaping the Bottleneck of Small Molecule Lead Identification through Key Collaborations</b> <b>Dr Everard Pap</b> , Director Lead Identification, <b>Sanofi-Aventis</b>	Salon Royan
13:30-14:30	Lunch	Salon Croisette
14:30-15:15	Keynote Presentation <b>Innovative Edge: Commercialising Nanotechnology to Solve Drug Delivery and Targeting Problems</b> <b>Dr Zoser Salama</b> , Executive Chairman, <b>Siogen Biotech</b>	Salon Royan
15:15-16:00 choice of two	Case Study Presentation <b>Developing Efficient Biomarkers for Accurate Patient Selection and Verification of Disease Targets</b> <b>Dr Miro Venturi</b> , Senior Biomarker & Experimental Medicine Leader - Oncology, <b>F. Hoffmann-La Roche</b>	Salon Royan
	Case Study Presentation <b>Evolving Strategic Options for Ion Channel Discovery Research</b> <b>Dr Andy Southan</b> , Director, Ion Channel Biology, <b>BioFocus</b>	Salon Deauville
16:00-16:15	Networking Coffee Break	Salon Dinard
16:15-18:15	<b>One-to-One Meetings</b>	Salon Diane Barrière
18:15-19:00	Keynote Presentation <b>Evolving Novel Vaccines: How to Keep the Balance between Global Responsibility and Industry's Need to Stay Profitable</b> <b>Professor Alexander von Gabain</b> , Scientific Advisor to the Boards, <b>Intercell</b>	Salon Royan
19:00-19:30	Free Time	
19:30-20:00	Pre-Dinner Drinks	Salon Dinard
20:00	Dinner	Salon Dinard & Salon Croisette

discovery

a marcusevans event

22 - 24 March 2010 | Majestic Barrière Hotel | Cannes | France | [www.discovery-summit.com](http://www.discovery-summit.com)

wednesday 24 march		
07:00-08:00	Breakfast	Salon Croisette
08:00-08:45	Keynote Presentation <b>Leveraging PKPD Reasoning as the Essence of Lead Compounds Development</b> <b>Dr Johan Gabrielsson</b> , Senior Principal Scientist, <b>AstraZeneca R&amp;D Mölndal</b>	Salon Royan
08:45-09:30 choice of two	Presentation <b>Creating Opportunities through Public-Private Partnerships: Collaborative Drug Discovery and the Medical Research Council Technology Group Activities</b> <b>Dr David Tapolczay</b> , CEO, <b>Medical Research Council Technology</b>	Salon Royan
	Case Study Presentation <b>A Decade's Review of AMPA Antagonists: Exploring the Past and Future of these Deadly Liaisons with Cancer</b> <b>Dr Chrysanthy Ikonomidou</b> , Professor, Department of Neurology & Waisman Center, <b>University of Wisconsin-Madison</b>	Salon Deauville
09:30-09:45	Networking Coffee Break	Salon Dinard
09:45-11:15	<b>One-to-One Meetings</b>	Diane Barrière
11:15-12:00	Closing Keynote Presentation <b>The Need to Change the Game: Revealing the Future Face of Pharma R&amp;D</b> <b>Dr Thomas Senderovitz</b> , SVP Global Development, <b>Grunenthal</b>	Salon Royan
12:00-12:15	Chairman's Closing Comments <b>Dr Chas Bountra</b> , Chief Scientific Officer, <b>University of Oxford – Structural Genomics Consortium</b> Prize Draw: Weekend for two at the Majestic Barrière Hotel <b>Hand in your evaluation form to qualify!</b>	Salon Royan
12:15-13:15	Closing Lunch	Salon Croisette
